SUITES by Hilton™

KING STUDIO

Designed for those who like open floor plans, our Studio Non-Smoking 1 King Suite features an open layout which includes all the comfortable features of home. The spacious suite includes a king-size bed, a 37-inch flat-screen HDTV, and a full-sized sofa bed. Our Studio 1 King Suite includes a fully equipped kitchen with a full-sized refrigerator, microwave, dishwasher and twin burner stove - plus utensils - to make dining in easy. For added convenience and flexibility, there is an additional work table and chair, separate from the dining area table. Like all of our suites, our Studio 1 King Suite keeps you connected with complimentary guest internet access, telephone with voicemail, and a custom-designed multifunction phone set with clock and MP3 player capabilities, all offered to help you keep your daily routine while traveling.

KING 1 BEDROOM

Our One-Bedroom Non-Smoking King Suite is filled with all the comfortable features of home. The fully equipped kitchen includes a full-sized refrigerator, microwave, dishwasher and twin burner stove - plus utensils. A dining area off the kitchen can easily double as workspace. A separate living area features a full-sized sofa bed, a comfortable chair and a 37-inch flat-screen HDTV and movie channel entertainment. When you are ready for bed, sink into our comfortable king-sized bed in a separate bedroom with another television. Like all of our suites, our One-Bedroom King Suite keeps you connected with complimentary guest internet access and helps you stay on schedule with a custom-designed multifunction phone set with clock and MP3 player capabilities and pre-set local radio stations. Telephones with voice mail also make it easy for you to keep your routine while on the road.
