WELCOME

Welcome back dancers, studio directors, friends, and families! We simply cannot overstate how happy we are to be back with in-person competition after what has been an incredibly difficult two years for everyone!

While things still haven't quite returned to normal yet, it's finally looking like things are getting back on track. It has been truly inspiring to witness the coming together of everyone in the dance industry over the past couple of years, and seeing how a positive, collaborative mindset can truly make a difference. We're so grateful for the messages of support we've had over that time, and cannot thank you all enough for your willingness to explore alternative means of competition with us through our virtual events. But, finally, we're back to doing what we love the most — live, in-person competition!

Whether you're returning or attending your first On The Floor competition, we'd like to extend our sincerest gratitude and welcome you to a weekend of family-friendly fun, with a focus on giving back. Our events are all about helping competitors and attendees to create unforgettable memories, make new friends, and experience the magic of the dance community.

We've been working hard behind the scenes to bring you the best live competitive dance event in Canada and beyond, with tons of exciting activities and experiences to take part in throughout the weekend! Be sure to keep an eye out for Violet the Ultimate Unicorn, who you might be lucky enough to spot sharing her love of dance with our dancers throughout the event! And don't forget to check out the awesome On The Floor Swag Shop, which now has more great swag than ever!

We truly hope you have an amazing time, and cannot thank you enough for your support through what has been a tough couple of years for everyone!

We're always here to listen, so if you have any ideas, feedback or suggestions, please drop us a line at dance@onthefloor.ca! We'll see you On The Floor!

AWARDS

Technique & Style: 60% // Performance & Overall Appearance: 40%

Routines performed at On The Floor (OTF) competitions are judged by a panel of three qualified adjudicators who will award a mark out of 100. The three marks will then be averaged to come up with the final mark for the performance.

This could result in numerous routines winning in each award level. Every awards session will include critiques from a special awards judge. This judge will then award various routines based on creativity, technique and a variety of other dance elements.

ULTIMATE BATTLE

THE ULTIMATE VIRTUAL BATTLE

This year, we will have two separate Battle Awards: Viewer's Choice (voted for online by the public, in 12 and Under and 13 and Over age categories), and the Ultimate Virtual Battle (voted for by our panel of judges). The nominees for each award will be the favourite number from each studio, by consensus of the judges.

To be eligible, the number must be registered through a studio. The studio must have entered at least 20 entries into the competition, and 7 or more must be group routines. Each routine in The Ultimate Virtual Battle must be either a small group, large group, line or extended line.

On the Tuesday following the event, the numbers will be posted on our Battle website, at <https://battle.onthefloor.ca>, for everyone to re-watch and enjoy.

Viewers Choice Awards

Visitors to the website will be able to vote on their favourite number from each age category in order to decide our Viewer's Choice Awards. The voting will run from **Tuesday to Sunday**, with the winner announced on the following On The Floor social media channels the following **Monday: [instagram.com/otfdance](https://www.instagram.com/otfdance), twitter.com/otfdance, [facebook.com/otfdance](https://www.facebook.com/otfdance).**

Ultimate Virtual Battle

The judges will judge the Ultimate Virtual Battle award by re-watching each of the numbers, and choosing a winner. A number of criteria will be kept in mind while choosing these pieces from highest marks, execution, technique and overall concept.

The winner will be announced alongside our Viewers Choice Award winners on the Monday following the event, on On The Floor's social media channels.

On The Floor reserves the right to make adjustments if necessary. For example, if there are less than 10 studio's participating, two or more routines per studio may be chosen, or judges may choose a number from a studio who entered less than 20 numbers to fill up the spots in The Ultimate Virtual Battle.

The Ultimate Virtual Battle excludes all pre-competitive, novice, professional, solo, duet and trio categories and divisions.

BATTLE AWARD

- If there are 3 dances in the battle, one champion will be awarded a virtual certificate and OTF Gift Card
- If there are 4 dances in the battle, the top 2 will be awarded a virtual certificate and OTF Gift Card
- If there are 5 or more dances in the battle, the top 3 will be awarded a virtual certificate and OTF Gift Card

** Must be a minimum of three entries in each battle to proceed with that division in the battle*

** OTF reserves the right to make any necessary changes*

To vote, head over to battle.onthefloor.ca the **Tuesday** after your event for all the details!

SPECIAL THANKS

We're absolutely delighted to enter our ninth year of On The Floor after what has been an incredibly challenging couple of years. There is no way we could have made it here without the help of everyone who pulled together to support us during that time.

Since On The Floor debuted in 2013, we've been privileged to work with some of the most amazing people in this wonderful industry, in Canada and abroad. The knowledge, talent, ideas, and dedication that these artists bring to the table are integral to the continued growth and success of On The Floor.

Firstly, the OTF crew... Without their hard work behind the scenes there's no way any of this would have been possible. Our judges, who provide wonderful insights and ideas, while delivering invaluable feedback and support to our dancers, are another incredibly important part of everything we do.

Without our dancers, of course, there'd be no On The Floor - it's with a sense of pride in watching you compete that we extend our thanks, praise, and admiration. Your dedication to dance is the reason we do what we do! The support from your friends, families, and studio directors gives us everything we need to keep us going!

We also want to go on record to thank our awesome support team. They're the ones that bring everything together, and really make the magic happen. Our Director of Operations, Kerri, is the glue that binds everything behind the scenes, while the support provided by the wonderful ladies in the office, Amanda, Haelee, Bianca, and Kayla, is absolutely essential to delivering the kind of experience we strive towards each and every year.

Finally, to all our friends and families, we say thanks for your belief in us. The past few years have not been easy, but you've helped us to battle through and deliver our best On The Floor season to date. It's with your love and support that we will continue to grow, learn, and improve what is already Canada's best dance event!

RULES & REGULATIONS

Complete OTF rules and regulations can be found on our website, www.onthefloor.ca.

PHOTOGRAPHY AND VIDEOS

Choreographers, teachers, students and parents automatically grant permission to On The Floor and its Directors to use without any compensation whatsoever their photos and videos for publicity purposes, including but not limited to ads, television, videotaping and broadcasting for promotional purposes whether it be for social media, website or print.

FINE PRINT

Each competitor may only compete from one studio. Competitors may not compete against themselves. On The Floor reserves the right to add or subtract days to the event pending on the number of registered entries. On The Floor reserves the right to determine the amount of all cash awards based on registration, at its discretion. Videotaping and photography are prohibited at any OTF event inside the theatre. Adult categories will not be eligible for an overall award. Soloists will be separated into heats on the occasion that 12 or more soloists fall into one particular category. No refunds will be issued for any reason. On The Floor will not be held responsible for injuries, damage and lost or stolen property over the duration of any OTF event. Birth certificates are not required, however if there is a discrepancy it will need to be provided by the end of the competition. Failure to do so will result in disqualification for that specific entry. Performances are videotaped for judges' critiques as well as sales and advertising purposes. On The Floor reserves the right to use photographs and video of dancers taken at the venue for promotional purposes. In order to accommodate larger props, participants must make note of them on the registration form along with setup times. All marks are final. Awards are based on scores and not on placement in a category, therefore there could be several medals handed out in the same age category. All ties are broken by the judges. Any changes that need to be made must be made 30 days prior to the competition start date. All changes must be written and approved by OTF. If a contestant wishes to change their scheduled performance they must do so before the category competes or they will not be placed in their category and given an overall award. In the event that enough dancers are missing from a routine to change the division of the category, studios must notify OTF prior to the category. Tap sounds on recordings of tap entries will result in a 1 point deduction. Any studio, dancer or parent that abuses the designated dressing area will be disqualified. All participants are responsible for cleaning their area and properly disposing of all garbage. Competitors should be ready to perform 1 hour before their scheduled time, in case competition is ahead of schedule. All prize money is awarded to the studio only. No dangerous props to be used on stage, such as fire, swords or knives. No weapons of any sort. OTF has the right to reserve the use of specific props according to the venue's guidelines and restrictions. OTF asks that studios help maintain a clear backstage area. Studio Directors and teachers are permitted at all times. Students may wait backstage up to 5 numbers before their performance. We ask that all studios respect one another. OTF does not permit any negativity or booing towards any performers. Independent entries are permitted and eligible for overalls. Improv category will not be eligible for an overall. Acro Tricks, 1 point will be deducted per trick over the amount allowed in the category.
